HEAVY RAINS CAUSE WIDESPREAD DAMAGE

Water Fluoridation Would Improve Dental Health Of Campbell Children

Reduction of dental cavities in teeth of school children of the Campbell area amounting to 60 percent would be available with fluoridation of drinking water, according to a report made this week to the Campbell Kiwanis by Dr. Theodore Engdahl, San Jose dentist. Investigation by the Campbell Press, following Engdahl's report, revealed that water of the Campbell Water Company, principal water supplier for the area, contains no natural sodium fluoride, substance which is used for fluoridation of drinking water. A spokesman for the company stated however, that they would be willing to introduce the recommended amounts of between one and two percent to the water if the residents of the area showed sufficient interest to warrant it.

Dentists of the area are of the same opinion that fluoridation of drinking water would produce savings of 20 to 40 times the yearly cost for dental work. Estimated cost of fluoridation of water to the individual user is set at approximately 45 cents per year. One dentist commented that a child with an average of treatment for only one cavity a year would save large amounts over the cost of fluoridation.

Engdahl reported that concentrations of from one to two percent showed no ill effects on users and only when concentrations of 13 percent or more were present did any detrimental effects occur.

DOLLAR DAYS SLATED FOR FEBRUARY 8 - 9

Harold Estensen, chairman of the Merchant's Committee of the Campbell Chamber of Commerce, announced this week that plans are being laid for the second annual Dollar Days to take place in Campbell on February 8 and 9. Estensen stated that response to last year's dollar days was so favorable that merchants are anxious to feature a second dollar day.

The dollar day plan will feature special prices on merchandise of participating merchants and will be prepared for by placement of placards in stores and other strategic places throughout the town.

In cooperation with the plan, the Campbell Press will run a series of ads publicizing the plan with each weeks' issue. Page 6 of this week's Press features the first of these promotion ads.

Dollar Days was first started at the request of the merchants' committee last year and received such wide acclaim that merchants decided to make the move an annual affair.

FINED $150

Charles R. Nelson of 192 Cleaver Avenue, San Jose, was fined $150 by Judge Martin S. Walsh Wednesday for drunken driving.

Moreland School District Purchases Site For Third School In Area

Mrs. Gussie Baker, superintendent of the Moreland School District, announced this week that the district has recently purchased a ten-acre area as a site for a third school for the district. The site, located on the corner of San Tomas and Rincon, was purchased from Mrs. Maria O. Santos at a price of $24,000. While construction plans for the new school have not yet been made, Mrs. Baker stated that the new school would be planned to accomodate students of the upper grade levels.

The district called for bids on the new El Quito Park School this week. The school, designed to house approximately 200 students from the first through the fifth grades, will be located on Bucknall and Paseo Presado. Plans call for construction of six classrooms and an administration unit. Bids will be opened on February 8 and construction will start immediately following.

Bids for site development of the Payne Avenue school will be opened tonight.

Local Market Changes Hands

Announcement was made this week of the sale of the Dry Creek Market to Joe and Carl Mazzuca and Charles Carbone. The new owners of the market will continue the wholesale and retail services and plan a remodeling in the near future. The trio, well known in the area as fruit buyers, purchased the market from Sam Baranti and Michael Conte.

All three are married and have children.

CAMPBELL PHONE NUMBERS WILL BE CHANGED

All Campbell telephone numbers will be changed late this year to include the prefix FRanklin 8.

The addition of the new prefix to numbers will place telephones here on the Metropolitan numbering plan, which is to be established progressively throughout the Bay area.

W. E. Williams, Pacific Telephone District manager, said that the new numbering plan will pave the way for direct dialing by subscribers to Campbell from other ctiies and also facilitate direct dialing of long distance calls by operators.

The new prefix will become effective upon the completion of equipment additions to further expand the number of telephones which can be served by the Campbell telephone office.

To call the new Campbell numbers after the changeover, subscribers will dial the first two letters and numeral in the new prefix (FR-8) followed by the remaining four figures of the number.

Williams said that the growth of the direct dialing by both customers and operators has made necessary the adoption of a national numbering plan, which will provide a completely different number for every telephone in the United States. Under this plan, the country has been divided into about 80 areas, each with a 3-figure dialing code to be used when dialing between the areas.

Every office within an area also has a distinctive 3-figure code. The prefix is the name equivalent of this code and is used because difficulty in remembering a 7- figure number. FR-8, the dialed portion of the prefix Franklin 8, is the equivalent of 358, the office code for Campbell.

In addition to the new prefix and central office additions to be completed at the end of the year, another project to expand the telephone office here is scheduled for completion early this summer. Requiring an addition to the company's building, this project will make possible the connection of several hundred new telephones.

Combined cost of the two projects will be $122,000.

SETTLERS' DAY JUDGES NAMED

A spokesman for the Old Settlers' Day committee announced this week that Tim Sullivan, member of the San Jose Horseman's Society; Ralph Phillips, chief of police of Los Gatos; and Ed Fellows, San Jose attorney, have been selected to act as parade judges in the February 22 celebration.

Judge Martin S. Walsh announced that a tentative program includes the welcome and registration of old settlers in the morning and official dedication speech, musical program in the schools, variety show, parade, and a pancake and waffle dinner to be handled by members of the Campbell Junior Chamber of Commerce from 5:30 to 7:30 p.m. in the high school cafeteria. Walsh stated that a final program is still under consideration and that details of the events would be announced as soon as they are scheduled.

Will Present Bible Messages

Announcement was made this week that the Krug Memorial Chapel of Campbell has been selected as the exclusive sponsor of a series of Biblical messages prepared by the Bible Foundation for the Campbell and Saratoga areas. The messages will appear each week in the form of an advertising message and bound copies of them may be obtained free by contacting the Krug Chapel at Campbell 3371. Messages will consist of a series of 78 ads depicting Biblical scenes and messages.

CAMPBELL RED CROSS ACTS TO AID FLOOD STRICKEN FAMILIES

The Campbell Chapter of the Red Cross has taken steps to aid families in the flood stricken San Tomas area, President Joaquin Payne announced this week. Payne stated that a board of directors had approved the move at a meeting held Tuesday night. He announced that families suffering from flood damage should contact Louis Carboni, local flood disaster chairman at Campbell 2082. "All applications for aid will be investigated by the local chapter of the Red Cross; all relations with families and individuals will be treated in a confidential manner," he said.

Payne also isued a call for used clothing or furniture from residents of the area, stating that anyone possessing such items who wished to contribute them for emergency relief should call him at Campbell 3449 or Louis Carboni at 2082. "Some of the San Tomas families who were affected by the flood have already been helped from the reserve supply of the Red Cross in San Jose," he said.

Arrangements for shelter for those families who have been forced to abandon their homes because of flood damage has been made available at the parish house of the Methodist Church, the Odd Fellows' Hall and the high school. In addition, school superintendent L. J. Hill has made available the services of two trucks and drivers should the need arise.

Announcement was also made that Louis Carboni has made a preliminary inspection of homes damaged by flood waters and in some cases, has made food available to families who are in need of emergency aid. Ted Bohn was appointed deputy to aid Carboni in his work.

The county health department announced that a field representative has visited the San Tomas area and made recommendations to residents to prevent spread of disease. Dr. Elwyn Turner, director of the county health department stated that the main precautions necessary are those pertaining to cleaning up after the flood. He advised householders to scrub down flooded areas with soap containing household chlorine preparations and to dry articles of furniture and rugs in the sun. "Water supplies," he stated, "have been thoroughly checked by the department and found to be free from contaminating substances." He warned all users who have private water supplies, however, to add large amounts of chlorine to their water before using if they have not already done so.

Safety Director Speaks Before Campbell Rotary

"Santa Clara County is the scene of a calamity every year," Kevin Twohy, secretary-chairman of the Santa Clara County Safety Council told members of the Campbell Rotary Club at their meeting held Monday noon. The safety director, speaking on the costs and effects of traffic accidents in the county stated that deaths in the county due to auto accidents reach calamity proportions each year.

"Last year," he continued, "Santa Clara County had 141 traffic deaths. Since 1945, the county has had 900 deaths and 15,000 injured." Twohy compared the figures to the national statistics, stating that four persons are killed and 120 are injured every hour in the nation.

"In cost alone," Twohy said, "this tremendous accident rate totals one billion 250 million dollars in property damage and one billion 875 million dollars in injuries and deaths. This amount represents funds that are diverted from productive work."

"More than 30 million man hours are lost in the nation. The cost of traffic accidents throughout the nation averages $20 for every individual."

Twohy hold his audience that the cities of Santa Clara County have a more complete safety program and cited that fact that 131 of the 141 traffic deaths in the county during 1951 occurred in county rather than city areas.

The main methods for reduction of traffic accidents are engineering, education and enforcement. "Engineering," he said, "is lagging far behind. The education program is being developed and the highway patrol is doing an excellent job in enforcement, but they are seriously hampered by their lack of sufficient manpower." He stated that the state legislature has the power to provide better law enforcement by allowing more men on the highway patrol.

George Nelson of Campbell Union High school was student guest for the meeting.

Jack Anderson, principal of San Jose Tech High School and Bob Powell, instructor, accompanied by several students from the school, will give a demonstration of some of their school activities at the next meeting. Chairman for the day will be Cliff Cassiday.

Will Attend Alumni Meeting

Dr. Charles E. DeFreitas and Dr. John W. Ziegler of Campbell will join more than a thousand dentists from California and neighboring states in San Francisco on January 20 for the fifty-sixth annual meeting of the Alumni Association of the University of California College of Dentistry.

The two-day meeting will be held in the St. Francis Hotel and will include lectures, clinics and demonstrations, as well as a luncheon and the annual election of officers.

An added feature will be a two-hour live television show broadcast from a studio in the hotel, showing, among other things, the complete construction and fitting of an inlay bridge out of the new hydrocolloid dental material.

Speakers will include Dr. Leroy Knowles, professor of prosthetics at the Univesrity of Southern California College of Dentistry; Mrs. Adelle Davis, well-known writer on nutrition, and author of the best-seller cook book, "Let's Cook It Right;" Dr. Chester Fong, who will speak on transplanting teeth; **Miss Alfreda F. Rook, dental hygienist; and Dr. William Fleming, dean of the College of Dentistry.**

DIMES RETURN

Preliminary returns from the March of Dimes showed a total of $136.71 has been collected in the community to date. A spokesman for the high school student-directed campaign stated that plans are under way for the formation of a "porch light" campaign and that details would be released at a later date.

'Saratoga Creek' Name Accepted 'Campbell' Out

In response to the requests by county and historical societies, the name Saratoga Creek is now officially recorded. Hitherto the creek has borne the names Campbell Creek, Big Moody Creek and Quito Creek.

The Santa Clara County Board of Supervisors adopted an ordinance specifically naming the creek Saratoga and abolishing all other names under which it has been known.

MOST SAN TOMAS FAMILIES RETURN TO HOMES; RED CROSS STANDS BY IN CASE OF ADDITIONAL FLOODS

Louis Carboni, disaster council chairman for the Campbell Red Cross, announced today that the unit is standing by in the event that anticipated rainfall makes evacuation of the San Tomas area necessary for the third time in less than a week. Approximately fifteen families were originally forced to evacuate their homes because of overflowing water from the San Tomas Aquino Creek last Friday evening. Carboni stated that while the Red Cross is standing by in case of a reoccurrence of the high waters, he believes that the worst is over and all but one of the families of the area have already moved back into the area. Cleanup work is progressing and the Red Cross has extended emergency aid to those families who have been hit the hardest.

Ted Bohn, hardest hit resident of the area, who evacuated his family twice during the flood, stated that much of the work in the evacuation of his family, personal belongings and stock was due to the work of five high school friends of his son who aided him and other families in moving their belongings and building dykes against the rising waters. "These boys, Bohn said, "deserve the credit for spearheading the evacuation of most of the families in the area. Along with Louis Carboni, they worked tirelessly in moving furniture, clothes and belongings of the stricken families. The boys, members of the same Future Farmer unit that my son belongs to, supplied a truck and worked for hours helping me and others in the area." The five boys who volunteered their services were George Nelson, Bill Cothran, Don Lukehart, Gary Lukehart and Jerry Armstrong.

The Broch family, living on the banks of the Los Gatos Creek, had their residence washed away during the high water, but Carboni reports that they have found temporary housing.

In other districts throughout the Campbell area, portions of roads were caved in, several orchards in the San Tomas and West Campbell areas were flooded as well as flooding of portions of Rincon, Virginia, and West Campbell Avenues.

The Pacific Telephone and Telegraph company reported no major interruptions in service and the PG&E reported only one major interruption when service to the Cambrian Park district was disrupted for an hour and forty minutes Monday afternoon.

259 Register In Special Trailer

Mrs. Ethan Lanphear, Campbell area registrar, stated Thursday morning that a total of 259 persons have been registered by the special trailer visiting homes of residents of the area proposed for incorporation. No totals are available as to the number registered last night when the trailer was stationed at the Campbell Grammar school to register those who might have missed registering at one of the other registration offices.

The trailer has been touring the area during the past two weeks in an effort to register a greater number of persons for the special incorporation election before the deadline last night.

The law states that all persons who have not previously registered or those who have moved since their registration, must re-register at least 54 days before the March 11 election to insure their eligibility to vote.

The unique idea of bringing the place of registration to the residents was promoted by Bert Legg, deputy chairman of the committee for Campbell incorporation in an effort to make sure that the opinions of the voters of the community are more completely voiced at the incorporation election. Legg stated that no differentiation was made in who was called upon. "We merely wanted to make sure that all the people of Campbell had the chance to voice their views on incorporation, both for and against the measure," he said.

Men's Club Calls For Funds For Youth Center

The Cambrian Men's Club has issued another call for funds to finance the moving and repair of the old Cambrian school for use as a youth center in the area. A spokesman for the group stated that present recreation facilities are so crowded that many of the clubs of the area are forced to hold two meetings to care for their complete membership.

Organizations who would benefit from the youth center are: Brownies, Cub Scouts, Girl Scouts, Boy Scouts, 4-H clubs, Blue Birds, Hi-Y YMCA groups, Senior Boy Scouts, teen-age dance groups and children's folk dancing groups.

MOBILE BLOOD UNIT TO VISIT CAMPBELL ON FEBRUARY 11

A spokesman for the Campbell Community Club announced this week that a Red Cross Mobile Blood Unit will visit Campbell on February 11. The unit will be stationed in the Methodist Church at East Campbell Avenue and First Street and will arrive in Campbell at 2 p.m. The Community Club, which has undertaken to make all preparations for the visit, has already sent letters to previous donors acknowledging their donations. Letters have also been sent to all the churches, clubs and organizations in the area asking them to give their full support to this latest visit of the Blood Bank.

Chairman for the club's project is Mrs. Verle Grizzle, asisted by Mrs. A. Gladding, as co-chairman. Committee members include Mrs. George Miller, Mrs. James Muir, Mrs. Donald Lantz and Mrs. Earl Clark. Mrs. Ethan Lanphear will continue in charge of the canteen and will be assisted by Mrs. Frances McCurdy and Mrs. J. Mayhan. Mrs. Olive Parysek and Mrs. Mark Kollmer have volunteered their services as registered nurses and Mrs. Margaret Heinzen and Claudine Hancock have offered to act as typists.

Visiting Nurse Association Meets In San Jose

Officers, board members and friends of the Visiting Nurse Association gathered Thursday evening, January 17, at Calvary Methodist Church for the organization's annual meeting, it was announced today by Mrs. E. C. Andres, president of the group.

A full program starting with dinner at 6:30 p.m., including election of new officers and board members, a full report of the V. N. A. activities through 1951, and featuring an address by Dr. W. Elwyn Turner, Public Health Officer of Santa Clara County, was presented by the program committee chairmaned by Mrs. G. Campbell Jones.

The annual meeting of the V.N. A. is the occasion at which the nominating committee reports and new officers are elected. Mrs. George A. Starbird, chairman of the nominating committee, presented her committee's recommendations for new officers and board members.

Dr. Turner, the speaker of the evening, discussed the many angles of the County's public health program, as well as the role played by the Visiting Nurse Association, in the maintenance of health through its program of bedside nursing care in the home and health education.

PTA To Sponsor Eighth Grade Graduation Party

Members of the Campbell Grammar School Parent-Teachers Association voted to organize and sponsor a graduation party for students of the eighth grade at the end of the school year at their recent January meeting.

Mrs. Victor Carlino announced that the net proceeds from the Footlighter-PTA benefit production for the county school for the blind totaled $567. Proceeds will be added to a fund to purchase transportation for the children.

Mrs. J. V. BROWN of E. Campbell avenue visited over the weekend with her friend, Mrs. K. KELLER.

Mrs. ELMER HOERLER left on Thursday, January 10 for Salt Lake City to help welcome a new granddaughter, who arrived January 7 to Mr. and Mrs. JOE KIRTEN. Mr. JOHN STRONG is the great grandfather of the new infant. Also welcoming the new baby home is a three year old sister, JULIA. Mrs. Hoerler expects to return to Campbell within the next two weeks.

A boy, Patrick Allen, was born to Mr. and Mrs. Patrick Earl Cudney of W. Campbell Avenue on January 7.

Driving to Marshall, Texas, last Friday were Mr. and Mrs. O. J. GRISWOLD and their small son, MICHAEL, of Kenneth Avenue, and Mrs. Griswold's mother, Mrs E. A. GARRISON of Emory Avenue. The travelers, who stopped over for a short visit in San Diego, planned to arrive in Texas Tuesday where they will spend a few days visiting with Mrs. Garrison's son and family, Mr. and Mrs. LeDEAN GARRISON and family, former Campbell residents. Mr. Garrison is residing in the Texas town while studying for the Baptist ministry. The Campbellites planned to return home next week.

ORDINANCE NO. 3

AN ORDINANCE AMENDING ORDINANCE NO. 2 OF COUNTY SANITATION DISTRICT NO. 4 OF SANTA CLARA COUNTY, STATE OF CALIFORNIA.

The District Board of County Sanitation District No. 4 of Santa Clara County, California, does ordain as follows:

SECTION 1:

Section 2.09 of Ordinance No. 2, regularly passed and duly adopted by County Sanitation District No. 4 of Santa Clara County on the 24th day of October, 1951, is hereby amended to read as follows:

CONNECTION AND INSPECTION FEES. The following fees shall be paid to the District to cover the cost of inspection of all Side Sewers:

For issuing a single permit and inspection of each House Lateral, House Sewer, or Side Sewer, the sum of—$10.00 each.

For issuing a single permit having (2) or more House Lateral, House Sewer, or Side Sewer connections, and for the inspection thereof, the sum of $5.00 each per each connection.

For construction of Main Sewer, a connection charge to be determined in accordance with the rules and regulations established by the District Board.

For the issuance of connection permits for single four-inch connections of House Laterals, or Side Sewers, to Main Sewers constructed with general obligation funds of the District, or sewers constructed under special assessment proceedings, in which assessment district the properties of the applicants have not participated, a fee in an amount equal to $2.50 per front foot of the applicants' premises fronting upon said sewer lines shall be paid by the applicants to the District. Except, however, if applicants' premises are of an area of two and one-half (2½) acres or more in size and said premises are devoted primarily for bona fide agricultural pursuits, the connection fee to be paid by applicants shall be $125.00. In no event, however, shall the connection fee be less than $125.00.

The Board of Directors of County Sanitation District No. 4 hereby retains the right to grant adjustments and exceptions to the foregoing in order to vary or modify the strict application of the foregoing regulation in cases in which there are practical difficulties or unnecessary hardships in the way of such strict application. Application for any adjustment or exception shall be made to the Board of Directors of said District in the form of a written application .

SECTION 2:

Section 5.01 of the above named Ordinance is hereby amended to read as follows:

SEWER RENTAL CHARGES. There is hereby levied and assessed upon each premise having any sewer connection available with the sewerage system of said District or who are discharging sewage which ultimately passes through the sewerage system of said County Sanitation District No. 4, a service charge or rental payable as hereinafter provided and in an amount provided as follows:

RESIDENTIAL.

(a) For each single family dwelling, a charge of forty cents ($0.40) per month, except within the territorial limits of the Town of Los Gatos, Campbell Sanitary District, and the Saratoga Sanitary District, wherein the charge shall be twenty cents ($0.20) per month.

(b) For each unit of a trailer court, duplex, apartment, court, lodging house, boarding house, or hotel, a charge of thirty cents ($0.30) per unit per month, except within the territorial limits of the Town of Los Gatos; Campbell Sanitary District and the Saratoga Sanitary District, wherein the charge shall be fifteen cents ($0.15) per unit per month.

The owners of the establishments set forth in sub-paragraph (b) may avail themselves of the charges set forth under the title "COMMERCIAL" immediately following, by the submission of evidence to the District Manager of the monthly use of water based upon the annual use of water by each establishment herein listed.

COMMERCIAL.

For each unit of an office or commercial building where such unit is provided with sanitary facilities, including wash basin and sink, and for each commercial establishment, restaurant bar, ice cream parlor, movie, laundry, hospital or industry not disposing of industrial waste, a service charge to be determined by the District Manager in accordance with the average monthly use of water based upon the annual use of water by such establishment as follows:

First 500 cubic feet $0.40

All over 500 cubic feet ..... 0.05 per 100 cubic feet or fraction thereof, except within the territorial limits of the Town of Los Gatos, Campbell Sanitary District, and the Saratoga Sanitary District, wherein the service charge shall be one-half (½) of the amount set forth in the schedule above.

INDUSTRIAL.

For each industry, commercial packing plant, or similar establishment, a service charge to be determined by the District Manager in accordance with the average monthly cubic feet of liquid wastes discharged into the sewer based upon the number of months during which the normal average discharge of such wastes shall occur, as follows:

First 50,000 cubic feet $15.00,
except within the territorial limits of the Town of Los Gatos, Campbell Sanitary District and Saratoga Sanitary District, wherein the charge shall be $12.50.

All over 50,000 cubic feet ..... $0.15 per 1000 cubic feet or fraction thereof, except within the territorial limits of the Town of Los Gatos, Campbell Sanitary District and Saratoga Sanitary District, wherein the charge shall be $0.12½ per 1000 cubic feet.

Provided, however, that should the quality of such discharge be of such character that it exceeds the limits set forth in Section 4.10, the District Manager shall determine the quality of the wastes being discharged and the industry contributing such waste shall pay a service charge to be determined by the District Board, in accordance with a schedule of rates to be established therefor.

SCHOOLS.

For elementary schools, an annual charge based upon the average daily attendance during the school year of $0.12 per average daily attendance, and for high schools an annual charge based upon the average daily attendance during the school year, including night and adult classes, of $0.24 per average daily attendance, except schools located within the territorial limits of the Town of Los Gatos, the Campbell Sanitary District, or the Saratoga Sanitary District shall pay the following annual charge:

For elementary schools, an annual charge based upon the average daily attendance during the school year of $0.08 per average daily attendance, and for high schools an annual charge based upon the average daily attendance during the school year, including night and adult classes, of $0.16 per average daily attendance.

PREMISES SEWERED TO INCORPORATED AREAS.

The service charge upon each premise lying outside of the territorial limits of the Town of Los Gatos, the Campbell Sanitary District or the Saratoga Sanitary District, which premise is sewered into said Town or District and which premise is serviced by said Town or District, shall be in the amount as though said premise were actually within the territorial limits of said Town or District. Application for a sewer connection for a premise outside said Town or District which is to be connected to said Town or District shall be made directly to the Board of Directors of County Sanitation District No. 4 of Santa Clara County, and the connection and inspection fees and service charges as are determined by the Town or District shall be payable directly to the Town or District by applicant.

PREMISES OUTSIDE DISTRICT BOUNDARIES.

For each single family dwelling outside the territorial limits of the District, there is hereby levied and assessed upon each such premise having a sewer connecton with the sewerage system of District, or which is discharging sewage which ultimately passes through the sewerage system of District, a charge in the amount of $1.20 per month.

For each premise other than a single family dwelling, the service charge shall be determined by the Board of Directors at the time of application for sewer service by the owner of said premises.

DEFINITION OF "UNIT."

For th purpose of this Ordinance, the term "unit" is hereby defined as relating to the number of individual occupancies, rather than to the number of units of plumbing fixtures.

SECTION 3:

This Ordinance shall be in full force and effect upon the expiration of thirty (30) days after its passage, and before the expiration of fifteen (15) days after its passage, it shall be published once with the names of the members voting for and against said Ordinance in the Campbell Press, a newspaper published in the Sanitation District, and which newspaper this Board deems most likely to give notice to the inhabitants of said Sanitation District.

PASSED AND ADOPTED by the Board of Directors of County Sanitation District No. 4 of Santa Clara County, California, this 9th day of January, 1952, by the following vote:

AYES: Directors, Wright DeSelle, Wood.
NOES: Directors, None.
ABSENT: Directors, McKinnon.

LEROY H. WRIGHT
Chairman of the Board of Directors of County Sanitation District No. 4 of Santa Clara County, California.

COUNTERSIGNED:

LEGAL NOTICE

INSTRUCTIONS TO BIDDERS

Bids shall be received at the office of the District Superintendent not later than 11:00 a.m. on January 26, 1952, at which time they will be publicly opened and read for 500 Chair Desks. Specifications for desks may be obtained from Superintendent's office.

It is the intent of the Board of Trustees to award the contract strictly to specification to the lowest responsible bidder. Any deviation from the specifications must be so stated in writing with the bid. The board of Trustees shall be the sole judge as to the merit and suitability of alternate proposals.

Each bidder shall use bid form attached to specifications. All bids are for material delivered to the school. California State Sales Tax shall be listed as a separate item.

SAMPLES: Bidders shall submit full-sized samples of pupils' desks. Illustrations of all material proposed is desirable.

Each bidder shall submit with his bid a certified check of at least 10% of the amount of the bid as guarantee that if offered a contract he will accept within a period of 10 days after notice of award. Check to be made payable to Joseph V. Gomes, clerk of the Campbell Union High School district.

The Board of Trustees reserves the right to hold bids for a period of thirty (30) days after opening before awarding of contract.

The Board of Trustees reserves the right to reject any or all bids.

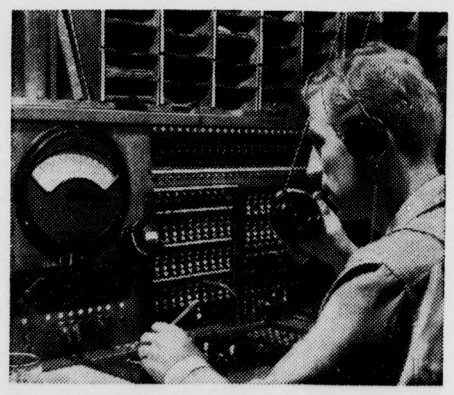
"Pole stubbers" at work: Inspection has revealed a pole which shows damage at the ground line. Now, reinforced with a short length, it will be strong as new, and we'll have saved much of the cost of a new pole.

LINE PATROL | How we stop telephone trouble—before it starts!

"Will it work when I want it?"—that's perhaps the most important thing you want to know about your telephone. That's what we want to be sure of, too. And that's why repairmen, testers, inspectors and many other telephone specialists are constantly at work to make sure your calls go through. The term we use is preventive maintenance. And it simply means testing and inspecting thousands of miles of lines and cables, and checking switching equipment constantly—on foot, in trucks and electronically—to find and fix any part of our complex system which might cause future trouble.



"Trouble detective": If our electronic testing equipment spots possible line trouble, his testing devices locate the difficulty—and a repair crew is dispatched to stop the trouble before it can interrupt your service. All over our system, we are alert, 'round the clock, to make sure you'll have the world's most dependable telephone service.

Your telephone is one of today's best bargains

Few of the things you use in your daily life have gone up less, in these inflationary times, than the rates for telephone service. Even though our costs of providing service have skyrocketed, your telephone calls remain one of today's best buys.

MATMEN TROUNCE LOS GATOS AND CHEROKEES IN SEASON OPENERS

Campbell matmen proved their championship caliber when they rolled over a hapless Los Gatos team and outclassed Sequoia squad 38-12 and 35-8 respectively, in their season openers last Friday and Wednesday. The 1951 champion Buc team had little trouble in defeating the Wildcats as they held them to only two wins and a draw. In the Wednesday tilt with the Sequoia Cherokees, the locals found even better ground to exercise their merits as they gave up only two rounds to the Redwood City team.

Mat mentor George Miskulin, beaming with smiles, stated that he was well pleased with his boys and commented that he was especially pleased over their showing against Sequoia. The locals, who were forced by different league rulings to place many of their men in a higher weight class than called for by SCVAL regulations, lost only to Northern California champion Reetz in the 165-pound class and to Hoxie, who decisioned Buc Balzei.

Miskulin expects a tough contest against the Santa Clara Panthers this afternoon and stated they will be no push-over. Santa Clara was the only team which defeated last year's championship Campbell squad.

Hardwaremen Edge Marketeers In League Opener

Campbell Hardware nosed out a fighting Maderis Market, 42-38 last week in the B Cage league opener in which the lead changed hands several times and both teams refused to give up until the final gun.

With the score deadlocked at 30 each at the end of the third period, Hardwareman Ron Rovai caught fire to score six points and wrap up the tilt for his team. The battle began with the starting whistle and ended the first frame with an eight-point deadlock. The Hardwaremen forged ahead in the second to wind up the half on the long end of a tight 17-19 score. A fighting Maderis five came back to tie it up again at 30-all at the end of the third, but the final gun saw the Hardwaremen take a four point lead to win the contest.

McCune, Tony's Busy Bee Take League Openers

The A cage league opened last week with McCune Citrus rolling over an outclassed Los Gatos Merchant squad, 76-34. The McCunemen were led by Giles with a total of 17 digits, while Adam of Los Gatos led his team with a total of nine.

In the second game of the evening, Tony's Busy Bee fought a nip and tuck battle with the Willow Glen Zelators to come out the final victors in a 51-44 contest. Tony's took the lead in the early portion of the game, forging out to a 13-19 lead at the end of the first quarter, but the Zelators bounced back to take a slight 27-26 lead at the end of the half. During the third period, the locals showed a slight edge to lead 38-36. Rodriques sparked the victors with 18 points, while Avila led the Zelators with 13 digits.

LEGAL NOTICE

NOTICE TO CONTRACTORS
MORELAND ELEMENTARY SCHOOL DISTRICT
Santa Clara County, California
January 15, 1952

NOTICE IS HEREBY GIVEN that the Board of Trustees of the Moreland Elementary School District of Santa Clara County, California, hereby invites and will receive sealed proposals for the furnishing of all materials and labor for construction of Unit No. 2 of El Quito Park Elementary School, Bucknall Road and Paseo Presada, Santa Clara County, California, according to plans and specifications prepared by Birge M. Clark and Walter Stromquist, Architects, 321 Channing Avenue, Palo Alto, California.

All bids must be in writing and on forms furnished by the architects, and entitled, "Bid, Unit No. 2 of El Quito Park Elementary School," and mailed or delivered to the Board of Trustees, Moreland Elementary School District, Payne Avenue and Santa Clara-Saratoga Road, Santa Clara County, in time so that the same will be received not later than 8 o'clock P.M. on the 8th day of February, 1952, at which time said bids will be opened and considered at a meeting of said Board to be held at the above address of said Board.

Bids shall be presented in accordance with plans and specifications for said work which are on file at the office of said Board, Payne Avenue and Santa Clara-Saratoga Road, Santa Clara County, and at the office of the architects, Birge M. Clark and Walter Stromquist, 321 Channing Avenue, Palo Alto. A deposit of $25.00 will be required from all contractors receiving plans, said deposit to be refunded by the architects when plans and specifications are returned in good condition.

All bids must be signed by the bidder and be accompanied by a bid bond, or a certified check or cashier's check for an amount not less than 5 percent of the amount of the bid, but in no case to exceed $5,000, said checks to be drawn payable to the order of George D. Robertson, Clerk of the Board of Trustees of the Moreland Elementary School District as a guarantee that the bidder will enter into a contract with said Board of Trustees of the Moreland Elementary School District in accordance therewith upon being notified of the acceptance of said bid, and will furnish the surety bonds as required by the specifications and by law, and said check to be forfeited to said Board of Trustees of the Moreland Elementary School District should the bidder fail to execute the contract and furnish the bonds above mentioned.

Workmen employed on said work shall be paid not less than the hereinafter set forth prevailing scale of wages:

Classification	Hourly Rate
Carpenters	$2.39
Plasterers—8 hour day	3.125
Plumbers	2.625

All others in accordance with the rates fixed by schedule adopted by the Board of Supervisors of the County of Santa Clara, to which reference is hereby made for rate or payment not herein specified.

The prevailing wage scale heretofore adopted by the Board of Supervisors of the County of Santa Clara on June 4, 1951, as amended, is hereby adopted as the general prevailing rate of per diem wages in the locality in which said public work is to be performed for each type or craft or workmen needed to execute the contract, and said schedule of wages is hereby specially referred to and incorporated herein and made a part hereof as though the same were herein set out in full, including the specifications therein of per diem wages for legal holidays and overtime work in said locality; and the contractor to whom the contract is awarded, and any subcontractor under him, shall pay not less than the specified prevailing rate or wages as therein specified to all workmen employed in the execution of said contract.

Said schedule of per diem wages is based on a working day of eight hours unless otherwise provided therein, and the wage prescribed therein is the per diem rate divided by the number of hours constituting the working day.

All skilled and other labor not listed above that may be employed is to be paid not less than the union wage scale for such labor.

Contractors who propose to have subcontractors perform work or labor or render service to them in or about the work should designate in their bid the names and location of the places of business of each subcontractor who will perform such work, labor, or render service in an amount in excess of one-half of one percent of the contractor's bid.

All bidders shall be required to furnish surety bonds for the faithful performance of the work and as required by Section 4200 of the Government Code of the State of California in the amount of 100 percent.

This Board reserves the right to reject any and all bids, and to waive any informality in any bid received, at its discretion.

No bidder may withdraw his bid for a period of 20 days after the time for the opening thereof.

No bid will be acepted from a contractor who has not been licensed in accordance with the provisions of the Contractor's License Act of the State of California.

BY ORDER of the Board of Trustees of the Moreland Elementary School District.

GEORGE D. ROBERTSON, Clerk.
